

Notice Regarding the Posting of Deferred Tax Assets

STAR MICRONICS CO., LTD. (“the Company”) today announced details of the posting of deferred tax assets for the fiscal year ended February 28, 2018 as follows.

1. Posting of Deferred Tax Assets

Taking into consideration such factors as recent business results, the Company has taken steps to review the recoverability of deferred tax assets. As a result, the Company has posted deferred tax assets with respect to the fiscal year ended February 28, 2018 and credited ¥1,226 million as income taxes-deferred.

2. Impact on Operating Results

Please refer to the Consolidated Earnings Report for the Fiscal Year Ended February 28, 2018 issued separately today (April 11, 2018) for details of the impact on business results of the posting of deferred tax assets noted above.
