Notice of Achievement of “AAA” Rating in the MSCI ESG Ratings

JINS HOLDINGS Inc. (the “Company”) announces that it has received an “AAA” rating, the highest rating in the MSCI*1 ESG Ratings for the first time as of March 2023. This is a one-level upgrade from the previous “AA” rating (announced in March 2023).

The MSCI ESG Ratings analyze the extent of a company’s risk management in Environment, Society, and Governance, and evaluate it on a seven-point scale ranging from “AAA,” the highest rating, to “CCC,” the lowest rating, and are considered a global evaluation index for ESG investment.

In the ratings, the Company received high ratings for its disclosure of information related to “consideration for the environment,” “maximizing human resources and upholding human rights,” and “sound governance,” which are set as JINS’ materiality, including the carbon footprint calculation of the Company’s signature products, employee management, and information security.

The Company will make steady progress on its initiatives to promote sustainability together with its stakeholders in order to enhance its corporate value and realize a sustainable and prosperous society.

*1 MSCI is a financial service company based in New York, USA. Listed on the New York Stock Exchange, the company provides institutional investors across the globe, including large public pension funds, asset management companies, and hedge funds, with a variety of tools for investment decision-making.
