## Non-Consolidated Difference Compared to Previous Year Results

HOYA CORPORATION (“the Company”) announces today a significant difference between its non-consolidated full-year financial results for the fiscal year ended March 31, 2024 and the results of the previous year as per below in conformity with the timely disclosure rules set by TSE. The Company did not announce its full-year outlook at the beginning of the fiscal year. Therefore, the difference is based on a comparison with the results of the previous year. The Company also announced today its consolidated full-year financial results for the fiscal year ended March 31, 2024.

### 1. Non-consolidated full-year results for the fiscal year ended March 31, 2024 (April 1, 2023 through March 31, 2024)

(Millions of yen)

Last fiscal year (ended March 31, 2023) result (A)	226,077	50,794	201,506	177,968	495.75
This fiscal year (ended March 31, 2024) result (B)	223,724	48,699	65,034	47,747	135.70
Change (B-A)	(2,353)	(2,095)	(136,471)	(130,221)	(360.05)
Percent of change (%)	(1.0)	(4.1)	(67.7)	(73.2)	—

(Note) The Company discloses its consolidated financial statements in accordance with IFRS from the fiscal year ended March 31, 2011, while its non-consolidated financial statements are made based on the Japanese GAAP.

### 2. Reasons for significant change

In the non-consolidated results for the fiscal year under review, net sales and operating profit slightly decreased from the previous fiscal year due to the weak performance in the Information Technology business, mainly affected by customers' inventory adjustments, while performance was strong in the Life Care business.

Ordinary income and net income decreased significantly from the previous fiscal year due to a decrease in dividend income from affiliated companies.
