3. Reason for Acquisition and Cancellation of Class A Preferred Shares

On June 30, 2022, MITSUI E&S issued a total of 9 billion yen of Class A preferred shares for the purpose of improving its financial soundness and growth investment. The Group's profitability and financial soundness have steadily improved as a result of the completion of the “Mitsui E&S Group Business Revival Plan”. Besides, the partial sale of MODEC shares resolved on May 14, 2024, has provided the financial basis for growing investment. With these backgrounds, MITSUI E&S decided to execute the acquisition and the cancellation of the Class A Preferred Shares for the purpose of increasing the shareholder returns instead of paying the preferred stock dividend.

4. Future outlook

The impact of the acquisition and cancellation of the Class A Preferred Shares on MITSUI E&S's and its consolidated performance is immaterial.
