Notice Regarding the Revision of Dividend Forecast (Dividend Increase) for the Fiscal Year Ending September 30, 2024

Atrae, Inc. (the "Company") hereby announces that, as of June 27, 2024, the Board of Directors has resolved to revise the dividend forecast for surplus per share with a record date of September 30, 2024, as described below.

1. Reason for Revision of Dividend Forecast

In the resolution at the Board of Directors as of May 14, 2024, the Company has decided to pay a year-end dividend of 15 yen per share (first dividend). Going forward, the Company's basic policy is to continue to pay dividends based on comprehensive consideration of the Company's operating results and financial position for each fiscal year, while making investments for the early development of new businesses, business expansion, and improvement of business efficiency.

Based on the above basic dividend policy, we have revised the dividend to 20 yen per share, an increase of 5 yen per share, in order to further enhance shareholder returns, taking into comprehensive consideration of the operating results, financial position, dividend yield, and other factors for the current fiscal year.

2. Description of Modifications
