NOTE

*Figures in this document are preliminary and may be revised at the time of the next update. In addition, the figures are different from the consolidated net sales and have not been audited by an accounting auditor.

*This document shows the actual number of stores as of the end of the month. This differs from the number of stores for the consolidated accounting period announced in various financial documents. This is because the fiscal year end of some subsidiaries differs from the consolidated fiscal year end.

*This document has been translated from the Japanese original for reference purposes only. In the event of any discrepancy between this translated document and the Japanese original, the original shall prevail.
