< Regarding variances between non-consolidated operating results and the previous fiscal year's actual results >

Due to an increase in dividends from group companies, there was a difference in ordinary income and net income from the previous year's results. Dividends from group companies have no impact on the consolidated operating results for the fiscal year ending March 31, 2025.

* Financial results reports are exempt from audit conducted by certified public accountants or an audit firm.

* Proper use of earnings forecasts, and other special matters

(Cautions on forward-looking statements, etc.)

The earnings forecasts described in this material are based on information obtained by the Company and certain assumptions that the Company deems reasonable, and are not intended to be a promise by the Company to realize them. Actual financial results, etc. may differ substantially due to various factors.
