## Notice Related to Matters Regarding the Acquisition of Treasury Shares

(Acquisition of treasury shares per the article of incorporation based on Article 165, Paragraph 2 of the Companies Act)

We hereby inform you that at the Board of Directors Meeting held today, we have decided on matters related to the acquisition of treasury shares based on the terms of Article 165, Paragraph 3 of the Companies Act that will be replaced by Article 156 of the said Act as follows.

### 1. Reason for acquiring the treasury shares

We have a capital policy of improving the corporate value through balancing “focus on returns to shareholders,” “improve capital efficiency,” and “maintain financial soundness,” with the aim of optimizing the Group's capital allocation. As this Medium-Term Business Plan “Value Creation 3000 & 300” focuses on “flexible share buybacks,” we decided to implement the acquisition of these shares to strengthen profit returns to shareholders as well as improve capital efficiency.
