### Announcement regarding Revision to Dividend Forecast

Please be informed that the Company decided to revise its dividend forecast for the fiscal year 2018 at the board of directors' meeting held on today.

#### 1. Reasons

The amount of year-end dividend per share for the fiscal year ending December 31, 2018 had been undecided. However, the year-end dividend is expected to be 30 yen per share, based on an overall consideration of the profit levels in the fiscal year, the outlook for the next fiscal year and beyond, funding needs for capital investment, the status of internal reserves, and other factors. The annual dividend is expected to be 60 yen per share adding the interim dividend of 30 yen per share.
