Notice on Recording Extraordinary Loss

RICOH LEASING COMPANY, LTD. (the "Company") announces that it has recorded an extraordinary loss in the second quarter of the fiscal year ending March 31, 2026 (FY2025).

1. Recording Extraordinary Loss

Due to investments made by the Company's consolidated subsidiary, Welfare Suzuran Co., Ltd., for business growth and to strengthen its management foundation, the subsidiary's performance has been below the initial business plan. In light of changes in the business environment and a review of future plans, the realization of initially anticipated profits is now expected to be delayed. Accordingly, the Company has recorded an impairment loss of 1.6 billion yen on goodwill and other assets of the subsidiary as an extraordinary loss in the second quarter of FY2025.

2. Outlook

In the consolidated results for the second quarter, profit up to ordinary profit has been progressing at a pace exceeding the Company's initial forecasts. Accordingly, there will be no change to the full-year earnings forecast for the FY2025 due to the recording of this extraordinary loss.

Should it become necessary to revise the earnings forecast in the future, the Company will promptly make an announcement.
