Notice Concerning Revision (Increase) of Dividend Forecast

Based on recent business performance trends, Keihan Holdings Co., Ltd. hereby announced that it has revised the dividend forecast (increase) as follows.

1 . Reason for the revision of dividend forecast

To sustainably improve corporate value, our basic policy for shareholder returns is to strive to ensure a stable management foundation and invest aggressively in growth while paying dividends in line with business performance and flexibly conducting share buybacks, taking into consideration the maintenance of financial soundness and capital efficiency. Also, the dividend amount for each period will be based on financial performance, with a target consolidated dividend payout ratio of approximately 30%, and we will strive for increased dividends through sustainable profit growth.

Based on the above policy and the Revision of Consolidated Financial Forecasts for the Fiscal Year Ending March 31, 2026 announced today, the total dividend forecast for the fiscal year ending March 31, 2026 will increase the dividend by 8 yen per share from the previous forecast of a 89 yen per share, resulting in a forecasted dividend of 97 yen per share.

2 . Details of the revision
