Opening of HUMAN MADE BANGKOK

HUMAN MADE's first store in Thailand, HUMAN MADE BANGKOK, will open at 10:00am ICT on Saturday, March 28, at Central Embassy in Bangkok.

Located on the former grounds of the British Embassy, Central Embassy stands as one of Bangkok's premier luxury complexes.

Additionally, CURRY UP, a curry restaurant operated by HUMAN MADE Inc., will open next to the store. We invite you to visit this new space on the second floor of this iconic Bangkok landmark to experience the signature playfulness of HUMAN MADE.

*Entry to HUMAN MADE BANGKOK on Saturday, March 28, will be determined by a lottery held on-site on the day.
