YAMASHIN-FILTER CORP.

YAMASHIN-FILTER Group's Integrated Report 2025
is now published

YAMASHIN-FILTER CORP. (Head Office: Yokohama, Kanagawa Prefecture; Atsuhiko Yamazaki, Representative Director and President; hereinafter, the “Company”) has published its Integrated Report 2025. (<https://www.yamashin-filter.co.jp/eng/ir/library/integratedreport.html>)

In this report, in addition to the growth strategies and vision presented in the Company’s “Medium-Term Management Plan 2027” and “YAMASHIN FILTER VISION 2030,” sustainability-related initiatives have been reorganized and presented as a highlight version of the “Sustainability Report 2025,” introducing the Company’s initiatives aimed at medium- to long-term value creation.

In addition, as a special feature, the report includes a roundtable discussion among employees regarding the Company’s work styles, providing insight into the Company’s corporate culture and initiatives through the voices of employees working on the front lines.

The Company will continue to strengthen its efforts toward long-term and sustainable enhancement of

corporate value, while maintaining highly transparent disclosure and communication of information and further promoting dialogue with stakeholders.

Overview of the Integrated Report

Publication Date: March 31, 2026 (Japanese version)

Reporting Period: April 1, 2024 to March 31, 2025

*Including initiatives after FY2024. The period for each dataset is from April 2024 to the end of March 2025.
