Notice Regarding Receipt of Dividends from Consolidated Subsidiary

Elecom Co., Ltd. (the “Company”) hereby announces that it expects to receive dividends from its consolidated subsidiary, DX Antenna Co., Ltd. As this matter falls under the requirements for the submission of an extraordinary report pursuant to Article 24-5, Paragraph 4 of the Financial Instruments and Exchange Act and Article 19, Paragraph 2, Item 12 of the Cabinet Office Ordinance on Disclosure of Corporate Affairs, the details are described below.

1. Overview of Dividends

- (1) Amount of Dividends : JPY 5,300 million
- (2) Date of Resolution : June 18, 2026
- (3) Scheduled Date of Receipt : June 30, 2026 (Scheduled)
- (4) Name of Consolidated Subsidiary : DX Antenna Co., Ltd.

2. Financial Impact

In connection with this matter, in its non-consolidated financial statements for the fiscal year ending March 2027, the Company plans to record JPY 3,692 million of the total dividend amount of JPY 5,300 million as dividend income under non-operating income. The remaining JPY 1,607 million is considered to be in the nature of a return of investment, and the Company therefore plans to reduce the book value of shares of subsidiaries and associates by that amount. As the dividend is from a consolidated subsidiary, it will have no impact on the consolidated financial results for the fiscal year ending March 2027.
