■ Overview of Investment Information Media Platform "Money Satellite"

Money Satellite is an investment information media platform operated by Matsui Securities to support asset management for all individuals seeking to build assets through investment, helping them achieve more prosperous lives and fulfilling futures.

The platform provides a wide range of information, including information on asset formation through stock investment, investment trusts, and FX, or foreign exchange margin trading, as well as market information and guidance on how to use Matsui Securities' services.

It aims to deliver content that can be enjoyed by a broad range of users, from beginners who are just starting to invest to advanced investors.
