◇ Sales Summary

In July, sales remained strong as hot weather continued nationwide, including days of extreme heat, which drove demand for summer goods and bolstered our full-scale summer sales.

By product category, sandals and T-shirts performed well.

Sales from the 15 stores that suspended operations due to the Kumamoto earthquake on July 28 have been excluded from same-store sales figures.

Note that 7 stores remain closed, with no current timeline for reopening.

All stores sales grew 6.6% to a year ago in this month.

Existing stores sales also showed a year on year growth of 6.7% compared to the same period in the previous year.
