Notice Regarding Acquisition of Shares of a Dispensing Pharmacy Company

Qol Holdings Co., Ltd. (hereinafter “the Company”) hereby announces that, effective as of August 5, 2026, the Company has acquired 100% of the shares of MH2 Co., Ltd. (hereinafter “MH2”) making it a consolidated subsidiary.

1. Reason for the Shares Acquisition

Under our corporate philosophy, “We support quality of life for everyone. There for you. Anywhere, anytime.” the Company Group has consistently expanded its business supporting medical care and health. To achieve our medium-term targets of Consolidated Net Sales of 500 billion yen and Operating Profit of 35 billion yen, the Company is working to expand its business through proactive new store openings and M&A.
MH2 operates 3 dispensing pharmacy stores within Aichi Prefecture. As a family pharmacy, it supports patients' health and actively engages in home medical care, conducting pharmacy operations rooted in community-based care centered mainly in the southern part of Nagoya City.
Our Group also holds the realization of community-based “family pharmacies” as an important management policy. We determined that incorporating MH2 into our Group would strengthen our business foundation in Aichi Prefecture and further contribute to community-based care and home medical care.
Going forward, in addition to the expertise and know-how that both companies have cultivated, we will make full use of our Group's management resources, including human resources, ICT, and educational programs, to provide higher-quality medical services to the local community and further enhance corporate value.
