Notice Concerning Publication of a Research Report on the Company by ENVALITH, Inc.

Tachibana Eletech Co., Ltd. (the “Company”) hereby announces that ENVALITH, Inc. (“Envalith”), which operates the next-generation equity research platform “ENVALITH,” has initiated coverage of the Company and published a research report on the Company, as set out below.

1. Purpose of the Publication

The report was prepared by Envalith from the perspective of an independent third party, on an objective and neutral basis, based on the Company’s publicly available information and other sources. The Company announces the publication of the report in the belief that it will help a broad range of stakeholders, including institutional and individual investors, to further deepen their understanding of the Company’s business operations, financial position, and future growth potential.

2. Notes Regarding the Content of the Report

The report has been prepared based on the independent analysis and views of Envalith and does not reflect the views or earnings forecasts of the Company. Any performance projections and other forward-looking information contained in the report have been independently calculated by Envalith based on publicly available information, macroeconomic trends, and other factors, and are not disclosed or guaranteed by the Company.

3. How to Access the Report

The report can be viewed on the official Envalith website.
