Notice Regarding Revision of Full-Year Consolidated Financial Results Forecast and Payment of Dividends from Surplus (Interim Dividend and Dividend Increase)

AISAN INDUSTRY CO., LTD. (hereinafter "the Company") announces that, at a meeting of its Board of Directors held on October 28, 2026, it resolved to revise the full-year consolidated financial results forecast for the fiscal year ending March 31, 2027, announced on July 30, 2026, and to pay a dividend from surplus (interim dividend) with a record date of September 30, 2026, as described below.

1. Revision of the financial results forecast

(1) Full-year consolidated financial results forecast for the fiscal year ending March 31, 2027 (April 1, 2026 – March 31, 2027)

Unit of amount: millions of yen

	Net sales	Operating income	Ordinary income	Net income attributable to owners of the parent	Current net income per share
Previously announced forecasts (A)	335,000	19,500	20,500	13,500	235.55 yen
Current revision forecasts (B)	340,000	20,500	21,000	13,800	240.75 yen
Increase or decrease (B - A)	5,000	1,000	500	300

(Reference) Previous period results Fiscal year ended March 31, 2026	330,834	18,287	19,229	13,074	227.61 yen

(2) Reason of the revision

During the six months ended September 30, 2026, results exceeded the previous forecast, reflecting the depreciation of the yen compared with the Company's assumptions as well as the effects of initiatives to strengthen earning power.

Based on these factors, the Company has revised its consolidated financial results forecast for the fiscal year ending March 31, 2027, as shown above.

2. Dividends from Surplus (Interim Dividend and Dividend Increase)

(1) Details of Dividend from Surplus (Interim Dividend)

	Determined interim dividend	Most recent forecast (Announced July 30, 2026)	Interim dividend paid (Fiscal year ended March 31, 2026 Interim)

(Reference) Previous period results Fiscal year ended March 31, 2026	37.00yen	43.00yen	80.00yen

(2) Reason of the revision

In light of the revision to the consolidated financial results forecast announced this time, the Company has increased the interim dividend by 1 yen from the previous forecast to 42 yen per share.

With the year-end dividend forecast remaining unchanged at 42 yen per share, the annual dividend will be 84 yen per share, an increase of 1 yen from the previous forecast.

*The above forecasts are based on information available as of the date of announcement. The actual financial results may differ from the projected figures due to a variety of factors going forward.
